New for Remediation! Quizzes with Study Plans
Vocabulary production quizzes and all grammar quizzes include Study Plans that automatically assign remediation and re-quizzing for students who do not perform adequately on the quiz.

Try out these engaging and effective Whiteboard activities!
Activities and Tools for Interactive Whiteboards DVD-ROM for Levels A/B-1, 2, and 3 includes over 200 practice activities for vocabulary and grammar, the DK Visual Dictionary eText, and an Image Gallery with over 6,000 DK images with audio files.

Explore the Spanish-speaking world
Mapa global interactivo combines global positioning technology with activities to connect students to locations across the Spanish-speaking world.

A great way to build communication skills!
The Videomodelo feature showcases Spanish-speaking teens modeling interpersonal speaking tasks from the Student Edition.

Music inspires learning
What better way to learn new vocabulary and grammar than by singing and dancing to our popular Canciones de hip hop? Students can download the songs and lyrics for each chapter to any computer or mobile device.

Game on!
The end of each chapter features a variety of assignable games that help students review while having fun. After the game is finished, students and teachers can access reports that summarize individual or class performance.

Around-the-clock grammar support
The clear grammar explanations, helpful charts, and realistic examples in the Tutorials explain Spanish grammar with a focus on comparisons to English. The GramActiva videos present and practice grammar in a fun, engaging way, while the Animated Verbs show verbs dynamically.
